Memo

On the 1st of August 1895, the Senior Surgeon suggested the advisability of employing a relieving midwife in each District to take the places of any who might be absent on leave or on account of illness, except in the case of Hassan and Kadur Districts, for both of which one was considered sufficient ~~and This suggestion~~ The Dy Comrs of Districts were requested to favor their opinion on the suggestion and to state in what proportions they would propose to debit the cost of these midwives to the Dist and Municipal Funds.

(2) As regards the necessity for the proposed appointment, the D Comr of Bangalore offers no opinion, but proposes to meet the cost of the midwife from Municipal and District Funds. The Dy Comrs of the marginally noted Districts approve of the Senior Surgeons suggestion and think it an advantage to have a relieving midwife. The Dy Comr of Hassan proposes to have one midwife for that District, as he considers that an arrangement involving dual control of two Districts over one midwife will not work satisfactorily. Sir,

I have the honor to report that all the talugs in the Province are now supplied with midwives or have women under training for those that are vacant except two in the Hassan District for which no provision has been made in this year budget and one in Tumkur regarding which latter the Deputy Commissioner will address Government.

2. I have written to the Deputy Commissioner of Hassan requesting him to ask for sanction for a reappropriation of funds to enable him to entertain two qualified midwives if they can be obtained soon or if not to stipend two women to be trained, but I have not yet received his reply.

3. I would suggest that as all the talugs

and sub talugs will be very soon supplied with midwives the Deputy Commissioners may be — authorized to take on an extra one for each district as a relieving midwife to take the places of any who may be absent on leave or on account of illness.

4. When not on relieving duty the extra midwife could be employed at the district head quarters.

As the Hassan and Kadur districts are small probably one relieving midwife, who might have Chickmuglur as her head quarters, would suffice for both.

6. I presume the pay of these relieving midwives, if sanctioned, would, as their services would be available for all the talugs equally, be paid out of district funds general, the pay of the one for Hassan and Kadur being borne jointly by both these districts.

No.

With reference to Government Proceedings No: $\frac{2066-74}{L. 7. 55-93}$ dated 12th August last calling for the opinion of the Deputy Commissioner with regard to the employment of relieving Midwives, has the honour to state that there are at present seven Midwives in the District, six of whom are paid from District Funds and the other by the Municipality of Chikmagalur. As the services of the Female Hospital Assistant are also available in the District Head Quarters, the undersigned considers that the Municipal Mid-wife may be sent on relieving duty whenever there is an occasion for the same, and hence the entertainment of an extra one does not appear to be necessary.

An Extract from the Proceedings of the Board (Convened on the 1st November) on the above subject is herewith submitted for kind perusal.

1. In the letter above quoted, the Senior Surgeon & Sanitary Commissioner suggests the appointment of a relieving midwife in each district with the exception of Hassan and Kadur, for both of which one is considered sufficient with her head quarters at Chikmagalur.

2. The Dy Comrs of Bangalore Chitaldroog Tumkur & Kolar Dsts are in favour of the Senior Surgeon's suggestion and think it an advantage to have a relieving midwife

The Dy Comr of Hassan proposes to have a separate midwife for that Dt to avoid dual control of two districts over one midwife. The DC Kadur considers that as there are already a superfluity of midwives in his Dt the appointment of a relieving midwife is unnecessary at present. The Dy Comrs of Mysore and Shimoga are not in favour of the proposal as they consider that the services of the existing midwives are not fully appreciated by the public and the necessity for relieving midwives is not yet felt. This argument is not quite relevant, as the Senior Surgeon's proposal is not to

Why force relieving midwives on these Dts when [illegible] [illegible] they do not [illegible] [illegible]

In'enclude Mysore & Shimoga also [illegible] appoint extra midwives with reference to the demand for medical aid, but to make provision for [illegible] its filling temporary vacancies caused by sickness &c among existing midwives

3. On a consideration of the foregoing proposal and opinions, the Govt think that the Senior Surgeon's proposal may be given effect to and accordingly sanction the appointment of a relieving midwife for all the Dts in the Province except Kandy Dt where there are already two extra midwives

4. The cost should be debited to the Medl Dept Budget & the respective Provinces.

Sir,
There are only 2 midwives, besides the female Hospital assistant. The D.M.O. does not say that he could spare the services of one.
